How to fill out REG 156 — Application for Replacement Plates, Stickers, Documents

California · written against REG 156 (Rev 11/2024), issued under California Vehicle Code 4457 and 9265

sellmycarhub.com
[/forms/california/reg-156-replacement-plates-stickers-documents/](https://forms/california/reg-156-replacement-plates-stickers-documents/)

Replaces the pieces of a registration that have gone missing - plates, stickers, the registration card, a disabled person placard. A seller reaches for it when a plate has been lost or stolen and the car cannot be handed over legally plated.

This sheet is not the form. Download the blank REG 156 from the California Department of Motor Vehicles at <https://www.dmv.ca.gov/portal/file/application-for-replacement-plates-stickers-documents-reg-156-pdf/> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	YOU	Vehicle strip	Plate or CF number, make and VIN. Watch out: The placard number, birth date and engine number boxes beside them are for other kinds of replacement and stay empty on a car.
2	YOU	Section 1, registered owner of record	True full name or business name with a driver licence number, plus a co-owner if the registration names one. Watch out: The instruction at the top is to complete all sections of this form. A half-completed application comes back.
3	YOU	Address and county	Physical residence or business address, county, and a mailing address only if it differs. Watch out: If your address has changed, this needs the appropriate change of address form with it - the note at the top of the page says so.
4	YOU	What you are replacing	Tick boxes for licence plates, stickers, registration card, certificates and the rest. Watch out: Tick only what is actually gone. Every item on that list carries its own fee.
5	YOU	Why it is being replaced	Lost, stolen, destroyed, not received from the DMV, not received from a prior owner, surrendered, and how many plates are involved. Watch out: One plate or two is a separate tick, and it changes what you owe. Replacement plates are \$28 under VC 9265.
6	YOU	Explanation	A free-text line for anything the tick boxes do not explain. Watch out: Left empty where Lost says everything there is to say. Filled in where the circumstances are unusual enough that a clerk would ask.
7	YOU	Certification	Print your name, sign, date, and give a daytime telephone number. Watch out: Under penalty of perjury, as with everything else on the DMV's paperwork. Then expect the plates by post, not over the counter.

- What gets this one rejected**
- Filing it when your address has changed. The note at the top says to submit the appropriate change of address form as well.
 - Assuming it is free. The form says there is a fee to replace most items and points at [dmv.ca.gov](https://www.dmv.ca.gov) or 1-800-777-0133 for the current figure - replacement plates are \$28 under VC 9265.
 - Leaving a section blank. The instruction is to complete all sections of the form.
 - Using it for a personalised plate you want moved rather than replaced. That is the REG 17.

☒ Amber is what you write ☐ Grey is a block somebody else completes The filled-in example is at the start of this sheet.
