How to fill out REG 5 — Affidavit for Transfer Without Probate, California Titled Vehicle or Vessel Only

California · written against REG 5 (Rev 12/2024), issued under California Vehicle Code 5910 and 9916; Probate Code 6401, 6402, 13050, 13051, 13100 and 13109 to 13113

Moves a car out of a deceased person's name without opening probate, where the estate is small enough to qualify. It is a sworn statement, not an application - you are certifying facts about the estate, and the liability that comes with getting them wrong is spelled out on the form.

This sheet is not the form. Download the blank REG 5 from the California Department of Motor Vehicles at <https://www.dmv.ca.gov/portal/file/affidavit-for-transfer-without-probate-california-titled-vehicle-or-vessels-only-reg-5-pdf/> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	YOU	Section 1, vehicle	VIN or hull number and plate or CF number in the comb boxes, then year and make. Watch out: One character per printed box. This form goes to a clerk who will compare it against the title record.
2	YOU	Name of decedent	The owner who died, named exactly as the title records them. Watch out: A copy of the death certificate goes with the form - section 1 says required in its own heading.
3	YOU	Date and place of death	The date, then the city and state. Watch out: At least 40 days must have passed since the death before this can be filed. The wait is written into the certification you are signing.
4	YOU	Print true full name	The person entitled to the vehicle, with a telephone number or email address. Watch out: You are certifying there is no probate proceeding, that unsecured creditors are paid or discharged, and that the estate is under the ceiling - \$166,250 for a death before 1 April 2022, \$184,500 on or after.
5	YOU	Signature and date signed	Sign on the rule and date it. Watch out: Section 2 points at Probate Code 13109 to 13113, which is the part that lets creditors and heirs come after whoever took the vehicle. This is a sworn affidavit with a tail on it.
6	YOU	The second and third rows	More rows for more heirs. Left empty where there is only one. Watch out: The form notes that only one date and signature is needed - but everyone entitled to the car should be on it, because a missing heir is what unwinds these later.

What gets this one rejected

- Filing before 40 days have passed. The wait is written into the certification.
- An estate over the ceiling for the applicable date of death, or one where probate has been opened. Either takes the car out of this form's reach and into the probate court's.
- A vehicle that is not California titled. The form's own subtitle limits it to a California titled vehicle or vessel.
- Filing without a copy of the death certificate. Section 1 says required, in brackets, in the heading.
- Counting only the car when working out the estate value. The test is the decedent's real and personal property in California, excluding what Probate Code 13050 lets you exclude.
