How to fill out MVD-10901 — Application for Duplicate Certificate of Title

sellmycarhub.com

New Mexico · written against MVD-10901 (Rev 06/20), issued under NMSA 1978 §§66-5-201 to 66-5-239, via the Mandatory Financial Responsibility affirmation the form prints

</forms/new-mexico/mvd10901-duplicate-title/>

The way back to a sellable document when the certificate is lost, stolen, mutilated - or, in the option this form uniquely prints, never surrendered by seller. A duplicate is an exact copy of the original: the division changes only the title number and, if necessary, the address, so a lien printed on the lost original prints on the duplicate too unless a release comes in with the application. The fee is printed on the form itself: \$5.00 for a vehicle title, with or without a lien change, and \$12.00 for a boat.

This sheet is not the form. Download the blank MVD-10901 from the New Mexico Taxation and Revenue Department, Motor Vehicle Division at <https://realfile.tax.newmexico.gov/mvd10901.pdf> — always take the current revision from the agency rather than a copy. Print this and keep it beside you while you complete theirs.

Every line, in the order you meet it

1	YOU	Owner block	Your name as the record spells it, and the address the duplicate should reach. Watch out: If your address of record is out of date, the instructions want a pre-addressed envelope for mail applications - or fix the address at the counter, where the division changes it on the duplicate itself.
2	YOU	Title number, and why	The title number if any old paperwork preserves it, and one box: lost, stolen, mutilated, or never surrendered by seller. Watch out: No title number to hand is survivable - the record is found by VIN - but a mutilated certificate should be surrendered with the application rather than described.
3	YOU	The vehicle	Year, make, model, VIN and plate. Boat applicants add the hull measurements. Watch out: The clerk begins with a vehicle inquiry against this VIN, and everything you wrote is read against the record - approximations do not help, they flag.
4	YOU	The lienholder question	Blank if the record is clean. If a lien shows, either attach the release or fill the lender's block and accept that the duplicate mails to them. Watch out: A lien that matured over a year ago needs no release - say so at the counter and have the clerk check the maturity date on the record.
5	YOU	Certify, sign, and pay	The certification sentence, your printed name, signature and date - then \$5.00, by check or money order if mailing. Watch out: In person at a field office is same-visit; the post route runs through the Vehicle Services Bureau in Santa Fe. A seller with a buyer waiting should stand in the line.

What gets this one rejected

- An applicant who is not the owner, a successor, or a documented representative. A buyer holding a bill of sale cannot fetch the seller's duplicate - the instructions require proof such as a power of attorney, letters testamentary, a court order, or the claiming-successor and transfer-without-probate affidavits.
- A live lien with no release attached. The division does not refuse the application - it mails the duplicate straight to the lienholder, which for a seller mid-deal is worse.
- No identification. The applicant presents a driver licence at the counter, or encloses a photocopy by mail.
- Missing the current registration certificate, which the instructions require alongside the application.
- A duplicate requested to change something. Names, connectives and lienholders do not change on a duplicate without the extra paperwork - a bill of sale marked for the change, or a release - because the duplicate is defined as an exact copy.
- Applying when both parties could simply appear. The one exception to no-duplicate-on-a-bill-of-sale is buyer and seller present together with identification - the manual allows the transaction to proceed live.

☐ Amber is what you write ☐ Grey is a block somebody else completes The filled-in example is at the start of this sheet.
